The screenshot shows the UpToDate website interface. At the top, there is a search bar with 'Diabetes' entered and a user profile for 'Daphne Barillas'. The main navigation bar includes 'Contents', 'Calculators', 'Drug Interactions', and 'UpToDate Pathways'. The article title is 'Initial management of hyperglycemia in adults with type 2 diabetes mellitus'. The left sidebar contains a table of contents with sections like 'SUMMARY AND RECOMMENDATIONS', 'INTRODUCTION', 'TREATMENT GOALS', 'DIABETES EDUCATION', and 'INITIAL PHARMACOLOGIC THERAPY'. The main content area shows the 'INTRODUCTION' section, which discusses the treatment of type 2 diabetes mellitus, including education, evaluation for complications, and the use of insulin and other agents. It also mentions that treatments should be tailored to individual factors. The 'TREATMENT GOALS' section is partially visible, starting with 'Glycemic management'. A 'Rate' section at the bottom of the sidebar shows five stars. A notification bubble in the top right corner says 'You can now bookmark content for easy access later.'
